2m Serial Attached SCSI SAS Cable - SFF-8470 to 4x eSATA

StarTech ID: SAS70S4200

The SAS70S4200 2m SAS Cable (SFF-8470 to 4x eSATA) is designed for high-performance servers, workstations and desktops, supporting data transfer rates of up to 6 Gbps, at connection distances of up to 2 meters allowing you to position your devices as needed.

This durable SAS to eSATA cable features one SFF-8470 plug to four eSATA receptacles for durable internal and external drive and eSATA backplane connectivity, and it is TAA-compliant for Federal (GSA Schedule) purchases.

The SAS cable offers 2 meters cable length, allowing you to position your devices as needed, and is backed by StarTech.com's Lifetime Warranty for guaranteed reliability.

Applications

- Connect SAS and SATA controllers to eSATA drive enclosures and backplanes, at a distance of up to 2-meters

Features

- 1x (4x) Infiniband SFF-8470 plug with thumbscrews
- 4x eSATA receptacles
- Supports data transfer rates up to 6 Gbps
- Double EMI/RFI shielding
- Multi-lane design
